FROM THE
PREZ

Well the rain is finally gone, but now we have the wind. We can't seem to win with the weather. If you didn't come out for our Sale and Auction, you missed a real nice windy day. You didn't need your motor going on the airplane to see it flying down the field. There were some good bargains and yours truly did a booming business. Don't forget that the next event coming up is our Annual Fun Fly on July 28th & 29th. If you wish to volunteer your services, contact Gary Brown. Let's hope for two nice days and I know we will have a lot of fun. Also, don't forget the pylon races. Check the dates in the Prop Wash and come out to work and participate. Remember, always think safety. Good and safe flying to everyone.

THROUGH RAIN, SNOW, SLEET OR HAIL, THE MAILMAN GOES ON HIS APPOINTED ROUNDS; BUT HE CAN'T DELIVER IF THE ADDRESS IS WRONG. IF YOU MOVE, PLEASE ADVISE US OF YOUR NEW ADDRESS.

The May meeting was called to order by President Gary Eckert at 8:10pm. A sight roll call showed 8 sr. and no jr. members present. Secretary's report was not given. Treasurer's report was read and accepted. There was no Association report. There was a small discussion on the Fun Fly. Gary Brown still needs some volunteers. The first Pylon race is on June 9th, 1984. There was a discussion about building some safety equipment for the races. Will bring up at the next meeting. The new posts for the pit area have been purchased. Stan Staniszewski reported having a hard time getting a push lawnmower for \$125 limit. The members voted that he use his own judgement about the price and buy what he feels is right for the field. Meeting was adjourned at 9pm.

JIM STEARNS' 1/4 SCALE J3 CUB TOOK TO THE AIR FOR IT'S 1ST FCF (functional check flight) AT SAUTER INTERNATIONAL MAY 26, 1984...THE CUB LOOKED AND FLEW BEAUTIFUL! JIM'S GOT A WINNER THERE.

A new blue Era, belonging to Gary Eckert, tried out it's wings for the first time May 27th. Other than being a little nose heavy, the Era was a pleasure for Gary.

Bits & Pieces

Has Stan "Alphabet" been practicing his Pylon crashes?

May 27th found Jack Jeffries test flying a RCM 40 for a new modeler...meanwhile, Michael Graham was trying to wear out two airplanes with lots, and lots of flying.

Jim Stearns put his thumbs back on the sticks for the first time in ten years May 27...Welcome back Jim!

LON SAUTER'S NEW RED, WHITE AND BLUE ROBBE CAP 21 TOOK ITS MAIDEN VOYAGE INTO THE WILD BLUE YONDER JUNE 1, 1984...IT WAS LOVE AT FIRST FLIGHT FOR THE PLANE AND THE PILOT!

Idle Chatter

New modeler Bob Elder's new red and silver Kadet took it's first flight June 2nd. The plane trimmed out beautifully and flew terrific...Bob must have done something right!

RUMOR HAS IT THAT THE MIDSTATE MODELERS ARE TRYING FOR "THE MOST CRASHES AT THE FIELD IN ONE WEEKEND" AWARD.

IF YOU ARE NOT A MEMBER OF THE STARS & WOULD LIKE TO HAVE THE PLANE PROP WASH MAILED TO YOU, YOU MAY PURCHASE A SUBSCRIPTION FOR THE FEE OF \$3.50 PER YEAR. PLEASE SEND REMITTANCE, ALONG WITH YOUR NAME & ADDRESS, TO MARGE SAUTER, 2062 RABBIT LANE, PHOENIX, NY 13135. YOUR SUBSCRIPTION WILL BEGIN WITH THE 1ST ISSUE PUBLISHED AFTER PAYMENT IS RECEIVED. CHECKS SHOULD BE MADE OUT TO MARGARET L. SAUTER.

IF I DIDN'T MAKE MISTAKES...YOU'D HAVE NOTHING TO TALK ABOUT!
