PSST!

STARS MEMBERS...IF YOU CAN READ THIS IS FOR YOU -

Last month we printed a questionnaire to be completed by each STARS member and returned to me for updating the roster. We received 9 forms...does this mean that we now have only 9 members, or that you all know how to fly but not write? When the next roster comes out and your name is spelled wrong, your telephone # is nonexistent, and your frequency is listed as 3, you'll know that you were one of those who didn't respond to our request for information.

CONGRATULATIONS TO NEW MODELER BOB ANTEMANN ON HIS SOLO FLIGHT JUNE 15, 1985...UP, UP, AND AWAY!

Our own BOB CHIOVARO made his solo flight, with his Kadet, under the watchful eye of instructor Perry Valeriani June 30th. Well done Bob!

RUMOR HAS IT THAT TWO MIDSTATE FLYERS TRIED TO FLY IN THE SAME AIRSPACE...ONLY ONE STOOD HIS GROUND...OR DIDN'T STAND HIS AIR SO SPEAK!

Minutes of the June 15, 1985 STARS Meeting at the Tavern:

Meeting was called to order at 8:16pm by the President. Roll call was taken & 16 sr., no jr. members, & 1 guest were present. The secretarys report was read and approved. The treasurers report was read & approved. No Association report was given due to the fact that no meeting of the Association had been held since the previous STARS meeting. Old Business - 1. Pancake Fly-In breakfast will be held July 21st at 10am. Sophie, Dan, Lon, Marge & Bob volunteered to help out. Dan Williams will be in charge of the cooking, Bob Rowe will handle the PR, and Phil Morgan will prepare the advertisement flyers. 2. Jackets - The present silkscreen is not holding up too well. It is cracking and flaking; all after a short time. The prez will contact other suppliers to locate a better product. New Busi-

ness - 1. Vote in new members Fred Cummings and Mike Vincent. Welcome aboard! 2. A motion was made and passed to grant George Clapp a life Membership for \$.75 (this was prorated to his 70th birthday in July). Happy Birthday George - you sly ole fox!! 3. A motion was made and passed to put together a deal if possible to purchase a new Gravely tractor. 4. The propane tanks (2) will be offered for sale at \$50 each or \$75 for both (let the Prez. know if you are interested). Meeting was adjourned at 9:15.

Bob Russell has been out with his "old timer" airplanes. They're quite a nice change of pace.

Stan Staniszewski is finally working on his flying thumbs again!

June 22nd saw lots of wind, but some true four stroke enthusiasts showed up at the Midstate field for a Fly-In. After all was said and done, Don Payment went away with the prizes.

Mike Vincent, up and coming pattern flyer and new STARS member, was the very 1st person to register and won an electric starter for being so eager. Way to go Mike!

Don Payment has been trying to clean out the stumps at his field with his 15-500.

Gary Rizzo, Midstate Modeler & Grenadier, took 1st place honors at Auburn's recent Fun Fly.
