SPECIAL NOTICE TO FULL-SCALE AVIATION ENTHUSIASTS

The Academy, through its travel service, **AMERICANA-FAIRFAX TRAVEL**, is developing a 14-day package tour for the 50th anniversary year. (Departure in September 1986.) This tour will visit several aviation museums in **ENGLAND**, such as Hendon, Duxford, Old Warden; and also include shopping days for the ladies, visits to other historic sites, and much more.

The tour price will include round-trip fare from the USA to **London, England** (more details on this later), all hotel costs while in England, all ground transportation (by luxury bus) to the tour spots, plus a couple of special events, such as a gala roast beef dinner in the medieval fashion.

As an added attraction, British Aerospace is offering to host a visit to their factory where the **Hawker Harrier** (jump jet) is assembled. Think about it, talk about it, and let us know your reaction.

Package price is expected to be approximately \$1,250 per person. We need to test the waters and get a reaction from AMA members. We would like to have 250 people go on this trip. If you are interested, please respond to **NINO DI RENZA** at AMA Headquarters at once. If we get enough in favor, we will proceed. If not enough people are interested, we will forget it.

MANY THANKS.

Geoffrey Styles
 Director of Public Relations

P.S. We need an early commitment from a minimum of 250 people to hold the package price.
