PREZ SEZ

Well there really isn't a whole lot going on right now, especially flying. It seems that the swamp has decided to expand and claim our field as its own. Hopefully, we can do something about this situation for next year.

This will be my last column since we'll be voting for new officers at this month's meeting. Anyone considering running for an office should contact Lon Sauter or Michael Graham of the nominating committee. Let me say this about the office of President. We've done a lot of things to improve the club in the past few years, but it doesn't mean that someone else has to continue doing these same kinds of things. Everyone has their own ideas and goals to present and guide the club towards, so the position is really just what a person decides it should be. We have a lot of hardworkers in the club that just need to be asked to do a task. Not everything has to fall on the President. Plus, whoever takes it won't be left to fend for himself out in the middle of the field. Everybody knows what needs to be done. They'll remind the President too; believe me. So, the President for the coming year will get a lot of support. I know. The club did for me.

Finally, I'd like to say thanks to the club for the past three years. It's been a lot of fun. It isn't a club without all you people, though. Good luck to the next year's officers, and remember guys, give them the same support you gave me. Thanks,

Dan

Fund-Raising Campaign to Begin

by Vince Mankowski, Executive Director

It is now official. AMA has launched an ambitious fund-raising campaign to complete the development of the First National Flying Site and museum complex in Indiana and to provide the necessary funding to acquire regional sites across the country. By now you have received your renewal notice in the mail and perhaps have even taken part in AMA's initial fund-raising step.

This initial step in fund-raising is a simple and painless one. To re-cap briefly, all AMA members who renew on time will be listed on a roster of current AMA members in the new Frank V. Ehling museum complex when it opens in 1993. Those who make a \$10 contribution with their timely renewal will have their name on this roster in bold print. If 10% of all the AMA members take advantage of this opportunity, we will be able to raise \$160,000 through this simple, painless step.

Where will the money go? Out of the first \$50,000 raised, \$25,000 will be used to help set up the new museum. The other \$25,000 will be put toward improvements in the already existing flying facilities. Thereafter, half of all monies generated through the fund-raiser will develop additional specific venues on the National Flying Site. Of the remaining funds, one-third will be allocated to the museum, library and film archives, while two-thirds of the remainder will go into a fund to acquire additional regional flying sites.

Newsletter Editors: Please make this response coupon available to club members through your newsletter. Contributions will go to operational costs and improvements to the AMA National Flying Site in Muncie, Indiana. Encourage your readers to include their name, address and AMA number with their contribution.

YES!! I would like to donate money toward the improvements at the AMA National Flying Site in Muncie, Indiana.

The September 17, 1992 meeting was called to order by President Gus Pandajis at 7:33 p.m. The Secretary read the minutes of the August 20th meeting and they were accepted. Treasurer Phil Morgan reported the following bank account balances:

Checking	450.94
Savings	5736.33
Scholarship	1149.32
Total	7336.59

OLD BUSINESS

Walt Throne made a motion to hold the Symposium banquet at the Holiday Inn on Ferrell Road and to have a three choice entree. It was seconded by Phil Morgan and passed.

Phil Morgan Requested \$100.00 to be used by the Board of Directors at the conclusion of the Symposium as they see fit. It was so moved by Walt Throne seconded by Ed Zobel and passed.

Phil Morgan reported that he made contact with the Fair regarding the use of the sign and more information will be fourthcoming.

NEW BUSINESS

Walt Throne requested that the minutes reflect that the STARS be congratulated for the success at their recent Fly-in. Many customers mentioned their pleasureable attendance.

The CNYMAA wishes to acknowledge the passing of Don Day a regular supporter of our annual Symposium, a true friend to all modelers. A motion to send a donation to the Don Day Memorial Fund was made by Jim Abrams, seconded by Phil Morgan and passed.

The meeting was adjourned at 8:56pm

Respectfully Submitted

John J Kinnan, Secretary
